Email:			
Home Type:	<input type="checkbox"/> Site Built <input type="checkbox"/> Manufactured Home <input type="checkbox"/> Multifamily (5 or more dwelling units.)		

### EXISTING HEAT INFORMATION

Eligible Existing Heating System	<input type="checkbox"/> Electric Forced Air <input type="checkbox"/> Ductless Heat Pump <input type="checkbox"/> Heat Pump <input type="checkbox"/> Zonal Electric-Resistance*			
Note: Insulation (Wx) measures must be installed in homes with an electric heating system as the primary system (heating 50% or more conditioned living space). *Includes electric, non-ducted: Ceiling cable, wall, baseboard, plug-in, and an electric boiler/water heater attached to a hydronic floor heating system.				

### Insulation Rebate Program Guidelines

- **Before Installation:** Please email ICL&P a copy of vendor proposal/quote to obtain Pre-Approval of rebate funding. ICL&P will confirm **NOTICE TO PROCEED**.
  - Phone: 208-983-1610; Email: [rhoman@iclp.coop](mailto:rhoman@iclp.coop)
- **After Installation:** Submit all final rebate documents to utility to begin final processing
  - Upon receipt of all rebate documents, Idaho County Light & Power (ICL&P) reserves the right to inspect home to validate energy efficient upgrades were installed according to program specifications.
  - Rebate(s) will not exceed 50% of the installed job cost. Rebate(s) for self-installed energy-efficiency upgrades will not exceed 50% of the cost of materials.

# Residential Insulation Rebate (Wx)

## Project Information Form

For Residential Applications

### Upon signing this agreement, member acknowledges the following:

- Rebate offer(s) may be changed or discontinued at any time by ICL&P. Rebate(s) are available on a first come, first serve basis and are subject to availability of funds. Incomplete application(s) will not be accepted by ICL&P and will be returned to applicant/member to be completed, which will delay rebate(s) processing.
- All warranties are offered through manufacturer not the utility, whether expressed or implied, regarding the product(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use. Rebate offer(s) apply to new product(s) only. Utility reserves the right to inspect installed product(s). Product(s) must meet all program criteria to qualify for rebate(s).
- I understand that the energy efficient upgrade(s) must be installed to ICL&P specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing.
- I understand the above and certify that I am a member of ICL&P, that the energy efficient upgrade(s) are installed at the address indicated and that this address is within the ICL&P service territory.
